

HONDA

CIVIC

*The climb calls to me.
To scale peak after peak.
And horizons with no end.
This is my playground,
Where I show what I'm made of.
I never say no, only go.
Creating my own path,
And bettering yesterday.
The challenge has no end.
But I will rise to it.
After all, I am proof that
dreams can be brought to life.*

Ride the Dream.

RIDE THE REVOLUTION

The 10th generation Civic is a revolution in design. Bold styling, a sleek silhouette plus a low and wide stance give the Civic its dynamic edge. Its design blends seamlessly with functionality, giving you a dream ride that has no equal.

MULTI-ANGLE REARVIEW CAMERA

A choice of three angles gives you a full picture of objects behind you as you reverse your Civic.

SIDE MIRRORS WITH TURNING LIGHTS

Make your driving intentions clear to other drivers with turn signals on the side mirrors.

REAR COMBI LIGHTS

Imaginative boomerang-shaped tail lights leave a stylish impression as you cruise along the streets.

LED DAYTIME RUNNING LIGHTS AND LED HEADLIGHTS

Driving clarity is yours day and night. LED Daytime Running Lights enhance visibility during the day while LED Headlights light up the way at night.

SMART ENTRY

Access your car the effortless way. With Smart Entry, simply pull the handle to unlock the doors.

16" Alloy Wheels

17" Alloy Wheels

ALLOY WHEELS

With a polished new look to complement your Civic, 16" wheels for the 1.8L and 17" wheels for the 1.5L turbo variants ensure you look sharp at every turn.

LED FOG LIGHTS

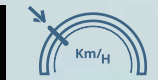

On days with low visibility, switch on the LED Fog Lights to help light your way.

RIDE ON POWER

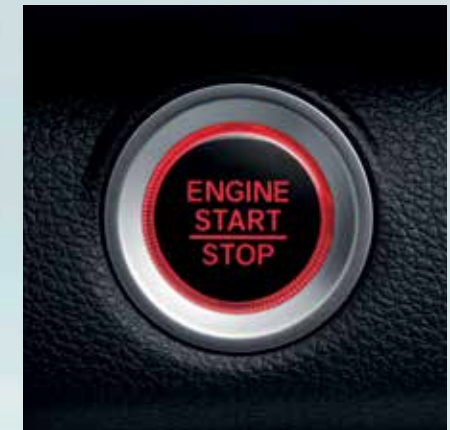

Unleash your drive to reach your dreams with the Civic. At the heart of the ride, our revolutionary new turbo engine promises all the power of an exhilarating drive while saving fuel thanks to Honda's Earth Dreams Technology.

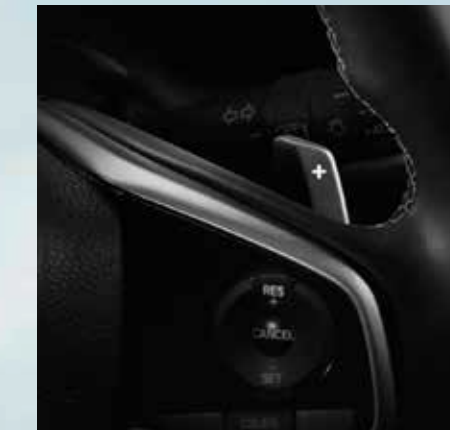

REMOTE ENGINE START
In your hands is the ability to activate your engine and cool your car from afar. The Remote Engine Start ensures your Civic is comfortably cool even before you step inside. A convenience that fits your lifestyle.

CRUISE CONTROL
When the mood strikes, let the Civic ease your drive by shifting into Cruise Control.

PUSH START BUTTON
Summon your Civic to life and go forth with a touch of the Push Start Button.

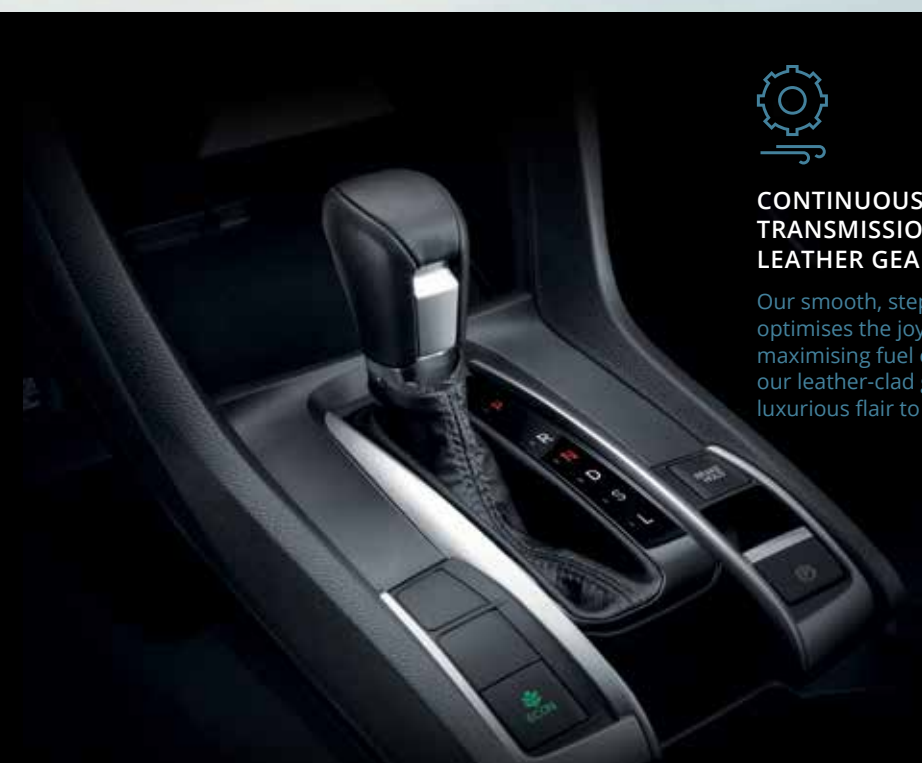

PADDLE SHIFT
Effortlessly shift gears without taking your hands off the steering wheel.

ECON BUTTON
Push the ECON Button and the car will automatically adjust several systems to save fuel for you.

EARTH DREAMS TECHNOLOGY
Honda's next-generation technology for cars with low environmental impact is here in the Civic. Choose from the new 1.5L VTEC Turbocharged engine that gives you the thrill of a 2.4L engine or a 1.8L i-VTEC fuel-injected inline-4 engine.

CONTINUOUS VARIABLE TRANSMISSION (CVT) & LEATHER GEAR BOOT
Our smooth, stepless transmission optimises the joy of driving while maximising fuel efficiency, and our leather-clad gear boot adds a luxurious flair to your drive.

ECO ASSIST
Keep an eye on fuel consumption through a colour-changing display which indicates the efficiency of your drive.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

RIDE WITH INNOVATION

Created to give you a cockpit-like feel, the interior of the Civic pleases the senses on all levels. Reach out and touch refined textures around the cabin. And admire daring interior styling that personifies

Honda's challenging spirit. Enjoy it all while you discover advanced features never before seen in the Civic.

ELECTRIC PARKING BRAKE (EPB)

The Electric Parking Brake takes the place of a conventional hand brake to keep your car stationary with the pull of a button.

AUTO DIM REARVIEW MIRROR

Sensors detect when headlight glare from cars behind you could affect your vision and automatically dims the rearview mirror.

ELECTROSTATIC SWITCH

Stay in control of your car as you perform an alphabetic search of your phone book, thumb through music or adjust the stereo volume with the steering mounted Electrostatic Switch.

CLIMATE CONTROL

Control the temperature and fan speed of your air conditioning via the touch screen controls.

SMARTPHONE CONNECTIVITY

Enjoy the familiar look of your smartphone on the Display Audio system which is Apple Car Play® or Android Auto® ready.

CALL FUNCTION

See who is calling without looking at your phone. If you answer the call*, your conversation will be heard through the car's audio system.

MUSIC DISPLAY

Flip through your phone's music library and select the soundtrack for your drive.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

*Talking on the phone may distract you while driving. Honda cares for your safety and recommends you only take calls when your car is stationary. Call function is currently only available for Apple iPhone.

RIDE TO THE HORIZON

Wherever the road may lead you,
keep chasing your dreams,
keep riding on.

RIDE IN SPACIOUS COMFORT

Reimagined to accommodate more than just family and friends, the Civic is a mid-size sedan with an all-round spacious feeling. Stretch out, relax and relish the Civic experience.

8-WAY DRIVER POWER SEAT
Fine tune your seating position for a driving experience that's tailored to you.

CONCEALED STORAGE COMPARTMENT
Make use of ample space and versatile organisation options to store your essentials out of sight.

LARGE CABIN SPACE
A comfortable driving experience begins with a roomy interior. Generous headroom and legroom for both driver and passengers make every drive a pleasure.

519L CARGO SPACE
The Civic's spacious boot boasts ample room to carry all of life's essentials.

DUAL ZONE AIR CONDITIONING SYSTEM
Dual Zone Air Conditioning allows both driver and passenger to adjust the temperature to their individual preference.

SMART DEVICE STATION
Maintain the sleek look of your cabin by keeping electronic devices stored away and power cables smartly organised.

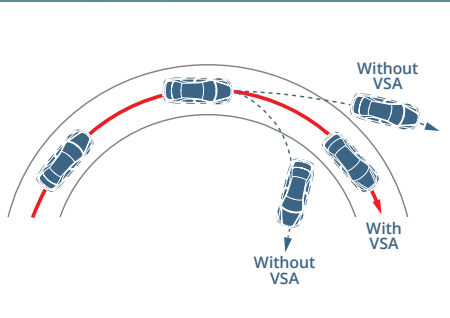

REAR AIR CONDITIONING VENTILATION
Keep backseat passengers as comfortable as you are in front with their own Rear Air Conditioning vents.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

HILL START ASSIST (HSA)

Prevents the Civic from rolling backwards when you release your brakes on a hill.

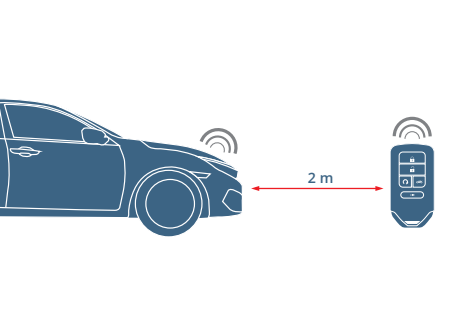

VEHICLE STABILITY ASSIST (VSA)

To prevent loss of control around tight corners, the VSA system stabilises the car by reducing understeer or oversteer.

EMERGENCY STOP SIGNAL (ESS)

In the event of sudden stops, the rear brake lights and hazard lights automatically flash to alert other drivers.

WALK AWAY AUTO LOCK

In case you forget to lock your car, the Civic detects when you have walked away and will automatically lock after 30 seconds or a distance of 2 metres from the car.

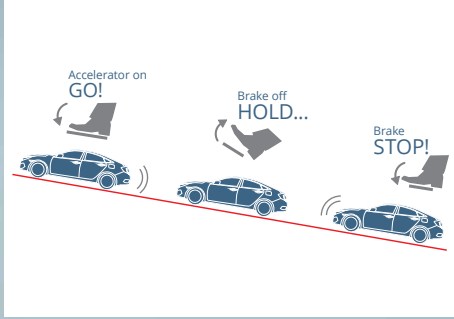

G-FORCE CONTROL (G-CON)

A proven technology that absorbs impact and diffuses G-Forces generated during a collision to minimise injury to passengers.

6 AIRBAGS

Dual Front SRS Airbags, Side Airbags and Side Curtain Airbags assure complete protection for every passenger.

AUTO BRAKE HOLD (ABH)

Braking has never been so effortless. This function ensures the car will not accidentally roll away while at a standstill, as it applies brake pressure without having to keep your foot on the brake.

REAR SEAT ISO FIX

Secure your child's car seat to inbuilt ISO Fix points in the back seat.

RIDE ON SAFELY

Chase your dreams with a suite of safety advancements designed to ensure peace of mind with every drive.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available. Actual model may vary in detail from image shown.

RIDE WITH STYLE

Put your mark on your Civic with a choice of Honda accessories that are as distinctive as you are. From sporty exterior accents to interior upgrades that are both eye-catching and functional, these packages are bound to enhance your drive.
