# TECHNOLOGY THAT'S SURE TO MAKE YOU FEEL JAZZY.

Every feature in the Honda Jazz is designed for your driving pleasure. Its multi-function steering wheel comes with a steering audio switch so you can handle your music while staying focused on the road.

**7" Display Audio**

Turn up the music at the touch of your fingers with the built-in 7-inch touchscreen that comes with smartphone style apps.

**Touch Panel Auto Air Conditioning**

The fully automatic air conditioner is controlled by touch panel for a touch-sensitive interface.

**LCD Meter Cluster**

The large, stylish LCD meter cluster gives you an attractive view of the odometer, fuel range, and other vital info.

**Hands-Free Telephone Steering Switch**

Accept or reject calls hands-free and safely.

**Smart Entry and Push Start Button**

The smart entry system lets you lock and unlock the Jazz with ease. Once you're in, simply press the push start button to ignite the engine.

# SAVE FUEL WHILE LOOKING JAZZY.

Balancing performance and fuel-efficiency comes easy for the Honda Jazz. Its i-VTEC engine with Continuous Variable Transmission (CVT) uses Honda's Earth Dreams Technology so you can enjoy better acceleration and improved fuel economy of 17.81 km/L.\*

**1.5L i-VTEC Engine**

Maximum power: 120PS [88kW] / 6,600rpm  
Maximum torque: 145Nm [14.8kg-m] / 4,600rpm

**Continuous Variable Transmission (CVT)**

# JAZZINESS IS HAVING SPACE FOR EVERYTHING.

Everybody has different needs and everything is important. Something the Honda Jazz understands. Just flip its ULTRA Seats into various modes to transform the interior into a versatile loading space.

## Utility Mode

Lower both rear seats to free up space in the back. There is even room for a bicycle in this mode. Bring on the bulky items.

## Tall Mode

Fold up the rear seats and you will have plenty of floor to ceiling space, enough for tall items like potted plants and furniture.

## Long Mode

Recline the front passenger seat and lower the rear seat to fit a surfboard and other long items.

## Refresh Mode

Recline both front seats into refresh mode for a comfortable rest area for two.

# LIVE JAZZY WITH SPACE FOR EVERY LITTLE THING.

Everybody's kind of car has everything thought out. Including the littlest of things. Its interior is packed with enough cup holders and compartments to store all your essentials in all the right places.

## Unique Centre Tank Layout

The secret to this versatile loading space is all in the unique centre fuel tank layout. Most cars have fuel tanks under the rear seats, but not the Jazz. This makes way for more space at the rear for all your storage.

## One Action

The rear seats can also be reclined at one touch for more space.

## Glove Box

Store all your car accessories and essentials in the handy glove box up front.

## 9 Cup Holders

The Jazz has more than enough cup holders to ensure you enjoy a spill-free ride.

## Centre Console Storage with Armrest

The front armrest comes with a built-in USB port and even has enough room to store a touchscreen tablet.

## USB and HDMI Ports

Charge multiple electronic devices in the USB ports or plug into the HDMI ports for a complete audio-visual experience.

# SAFETY. NOW JAZZED UP FOR EVERYBODY.

**6 Airbags**

The Jazz comes with advanced safety features like Dual Front SRS Airbags, Side Airbags and Side Curtain Airbags.

**Anti-Lock Braking System (ABS)**

The ABS helps prevent wheels from locking in emergency braking situations to keep you on track safely.

**Vehicle Stability Assist (VSA)**

The VSA system stabilises the Jazz by reducing understeer or oversteer in unexpected situations or around tight corners.

**Minimum Turning Radius**

The small turning radius of 5.1m lets you U-turn safely in tight situations.

**Emergency Stop Signal (ESS)**

The rear brake lights and hazard lights flash automatically on sudden braking at unexpected road conditions or situations to warn nearby vehicles.

**Hill Start Assist (HSA)**

This way the Honda Jazz will not roll backwards when the brakes are released on an incline.

**3-Point ELR Seat Belts with Pretensioners and Load Limiters**

The pretensioners in the seat belts tighten to prevent forward motion of the chest, while the load limiters limit excessive pressure on the chest.

**ISO Fix**

Worry no more about your child's safety. The Jazz is equipped with ISO Fix – the international standard for attachment points in child safety seats.

**G-CON**  
G-FORCE CONTROL TECHNOLOGY  
Honda's G-CON technology impact absorbing structure minimizes injury to passengers in the event of collision.

**Modulo**
